Traditional Holiday Music

Elisabeth Von Trapp was born to a rich musical heritage. Granddaughter of the legendary Maria and Baron Von Trapp, whose story inspired *The Sound of Music*, Elisabeth has carried on the legacy of the internationally renowned *Trapp Family Singers*. Singing professionally since childhood, Elisabeth has performed all over the world, enchanting audiences from European cathedrals to the Kennedy Center.

In a Holiday presentation full of enchantment, Elisabeth Von Trapp continues an annual tradition of highly anticipated holiday performances that was established by the *Trapp Family Singers*. On a stage festooned with holiday decor, Elisabeth presents a joyous family celebration of festive holiday music from around the world and tells heartwarming stories of Christmas in the Von Trapp household, as well as the folkways of their native Austria.

With a voice which critics have called "hauntingly clear," "joyfully expressive," and "simply beautiful," Elisabeth accompanies herself on guitar and piano, and is joined on stage by two world-class musicians performing on cello and keyboards with background vocals.

*"Before the concert is over,  
she will have the audience  
gasping with the sheer beauty  
of her voice."*

-- Boston Globe

*"Her voice is hauntingly clear and her  
lyrics tender and romantic. "*

-- New York Times
